

### **Riverview Alumni Parent Listserve (RValums)**

The Riverview Alumni Parent Listserve (RValums) is a group where parents of Riverview students/alumni can share their insights and experiences about their children's life after Riverview.

Riverview families represent an incredible nationwide network of experience, expertise, insights and support. Many alumni families learned the value of the Riverview family network while their children attended Riverview. The RValums listserv helps families continue to connect and help each other as they help their children build their lives after Riverview.

Riverview alumni parents and Riverview staff can join this network. Parents of current Riverview students are also welcome to join.

Here are instructions for joining:

1. If you don't have a Yahoo ID, go to Yahoo.com and create one. Yahoo accounts are free. If you already have one, go to step 2.
2. Log into your Yahoo account and go to Groups. Groups should be an option in the menu bar along the top of the screen.
3. In the Search box at the top, type "riverview alumni" without the quotes and press "Search Groups"
4. In the search results, there should be an entry for "RValums". Click that.
5. On the RValums page, click the "Join Group" button. Fill out any additional requested information and press Send Request. Please be sure to provide your child's name and graduation year in the notes field. We use this to verify eligibility to join RValums.

That process will send a membership request to the RValums moderator (currently John Bogasky, parent GROW '14) for approval.
